

AUDITORS' REPORT TO BOARD OF DIRECTORS

We have audited the accompanying financial statement of Bonded Labour Liberation Front Pakistan which comprise of the balance sheet as at June 30, 2015 and Income & Expenditure account, Cash flow Statement, Statement of Changes in Funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Board of Directors is responsible for the preparation and fair presentation of these financial statements in accordance with the Guideline for Accounting and Financial reporting by Non-Government organizations (NGOs/Non-Profit organizations (NPOs), and for such internal control as the Board of Directors is necessary to enable the preparation of financial statement that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the approved auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material mistatement.

An audit involves performing procedure to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but nor for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Bonded tabour Liberation Front Pasistan as at June 30, 2015 and of its financial performance and its cash flows for the year then ended in accordance with the Guideline for Accounting and Financial reporting by Non-Government organizations (NGOs/Non-Profit organizations (NPOs).

"Without qualifying our opinion, we draw attention to Note 2 where the fact that accounting year of the organization has been changed from 31 December to 30th June. These financial statements comprising of twelve months starting from 1" July 2014."

GENERAL SECRETARY

CHAIRPERSON

BONDED LABOUR LIBERATION FRONT PAKISTAN

(A ratio) registered under the Societies Reputration Act XLAT of 1961)

Notes to the financial statements For the year ended June 30, 2015

Legal status and activities

Bonded Labous Liberation From Polisium was accurposated on 5th December 1990 as a social welfare agency
under (Registerates and Comine) Orderance, 1961 (NLVI of 1961). The organization engaged in the welfare of
himtory beings.

Basis for preparation.
These financial statements have been prepared in comply with the requirements of the Memorandum of Association of the Society and the Societies Registration Act, 1860 The organization has changed in financial year in order to comply with my year. These financial statement are computing of eacher months starting on 01-07-2014 and eading on 30-06-2015.

2.1 Statement of compliance
These financial sustements have been prepared in accordance with the guidelines for accounting and financial reporting by non-government organizations (NGOs)/non-profit organization (NPOs).

These financial statements have been propored under the historical cone convention and on historical basis of accounting except as other wise stated in the respective policies and notes given hereunder.

2.3 Accounting estimates

Accounting estimates.

The preparation of filestedd statements in conformary with approved accounting standards requires management to make judgments, estimates and assumption that affect the application of policies and reported announts of most and habitation, ancome and expenses. The estimates and associated assumptions are based on historical experiences and various other factors that are believed to be manufalle under the circumstances, the season of which from the bases of making the judgments about carrying values of success and labelities that are not readily apparent from other sources. Acroal results may differ from these estimates. The estimates and stabilities that are not readily apparent from other sources. Acroal results may differ from these estimates are recognized in the period in which the estimates are reviewed on an engoing base. Revisions to accounting estimates six exceptional of the revision affects only that period, or in the period of the revision affects and the period, or in the period of the revision affects and the period of the revision affects are all the period of the revision affects and the period of the revision affects are all the period of the revision affects. periods if the revision affects both current and future periods

2.4 Functional and presentation currency

These financial statements are preserved in Pakistan Roper, which is the functional and persentation currency of the Society

SUMMARY OF SIGNEFICANT ACCOUNTING POLICIES

3.1 Operating fixed assets

Operating fised assets are stated at cost of asset less accumulated deposcation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquaition of this assets. Subsequent costs are included in the asset's carrying amount or roughted as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the asset will flow to the Society and the cost of the item. can be measured reliably. All other maintenance charges are charged to income and expenditure occount as and when incurred.

Depreciation on all operating fixed assets is charged to income and expenditure account using reducing behave method by using the rates stated in once 4 to these financial surrements after taking into account residual values, if significant. The residual values, useful lives and depreciation method are reviewed and adjusted, if appropriate, at each balance sheet date. Fell murch's depreciation is charged on additions, in the year of addition, while no depreciation is charged in the mouth of disposal

Guas or losses on disposal of fixed assets are determined by comparing proceeds with the earlying amount. These are included in the income and expenditure account in the period in which they arise

3.2 Impairment

Notes to the financial statements For the year ended June 30, 2015

The carrying imments of the Society's assets are reviewed at each believe their date to dominine whether there is any indication of preparation. If such indication exists the sister recoverable amount is estimated. An impairment loss is recoverable amount impairment loss is recoverable amount. Impairment losses are recognized in account and expenditure account.

3.3 Cash and cash equivalents

Cash and each segmenterm are carried at cost and comprise of cash in hand and bank balances

3.4 Unrestricted funds

Gesses represent unrestricted fould that is not subject to donce imposed retriction, normally used to meet the working capital requirements of the Society.

Unrestricted grants are recognized on cocripts basis directly in the uncome and expenditure account

3.5 Restricted funds

Restricted funds are the groups that are subject to do not emposed restrictions and may require the passage of time or the occumence of a specific event to become available for unnomiced use

Restricted grants relating to expenses are recognized as a balance cheer item under the head searched family and thereafter recognized in the income and expenditure account over the period necessary to much them with the expenses that they are intended to compensate.

3.9 Advances, deposits and other receivables.
There are stated at case. An estimate Soc doubtful receivables is made when collection of the full amount a no longer probable. Intercoverable amounts are written off when identified.

3.7 Creditors, accrued and other liabilities

Labitims for coolimn and other amounts payable are carried at cost, which is the fair value of the consideration to be paid for the transaction.

3.8 Provisions

Provisions are recognized when the Society has a present legal or constructive obligation as a result of pass events, it is probable that an outflow of resources will be required to sente the obligation, and a reliable estimate of the amount can be made

3.9 Foreign currency translation

Transactions denominated in foreign currencies are translated to Pak Rupees, at the foreign exchange rate prevailing at the date of transaction. Monetacy essets and liabilities in foreign currencies are translated into Pak Rupees at the foreign exchange rates at the balance sheet date. Eachange difference are taken in the income and espenditure account

3.10 Revenue Recognition

The donations and greens from local and international organizations and individuals are recognized on excipt basis. Interest on bank deposit is also recognized on except basis.

Revenue from other sources as pecognized when the right to receive is established

BONDED LABOUR LIBERATION FRONT PAKISTAN

(A swinty regulared under the Societies Regulation Act XLVI of 1961)

Notes to the financial statements For the year ended June 30, 2015

11 Financial risk management objectives and policies Financial risk factors

The Society's activities expose it a variety of financial risks which include market risk (including currency risk, interest rate risk and price risk), credit risk and lispadity risk. The Society's overall risk enangement programme focuses on the unpredictability of financial markets and seeks to markets appointful adverse effects on the financial performance of the project and provide consumum return to the society.

(a) Market risk

(I) Currency risk

Currency trick is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rates. The Society is not exposed to currency risk as all the material transactions of the Society are denominated in Pak Rupops.

(ii) Interest rate risk

Interest rate risk is the risk that the fur value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Society's income and operating cash flows are dependent on changes in enactor interest rates to the extent of Society's investment in interest-hearing assets. The Society is not exposed to interest rate risk as Society makes investments with fixed interest rate.

(III) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in marker prices (other than those arising from currency risk or increast rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument tracked in the market.

The Society is not exposed to equity securities price risk.

(b) Credit risk

Credit risk represents the risk of financial loss being caused if counter purry failed to discharge an obligation.

Credit risk of the Society arises mainly from advances, deposits and cash at banks. To reduce the exposure to credit risk the Society has developed an approval process whereby credit limits are applied.

(c) Liquidity risk

Liquidity risk represents the risk that the Society will encounter difficulties in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and bank balances.

The Society's liquidity management involves projecting each flows and maintaining level of fiquid assets necessary to meet these risks. The table below summaries the maturity profile of the Society's financial liabilities.
